

The Bay Area Air Quality Management District (Air District) is currently accepting comments on the draft policies for the fiscal year (FY) 2009/2010 Bicycle Facility Program (BFP). We invite your comments on this draft and your ideas for improving the BFP.

The deadline for submittal of comments is 5pm on Thursday, May 7, 2009. Based on the input received, the Air District will prepare a final draft in May for consideration by the Air District's Board of Directors in June.

The draft includes the following revisions:

- Establishes the maximum grant amount of \$120,000.
- Incorporates relevant revisions to the TFCA Regional Fund Policies adopted by the Air District on April 1, 2009.
